

# A new church **for** **you** in Palisades

## JOIN US!

Not since the Apostles themselves gathered together in the days following the Resurrection did Christian men and women have the chance to **plan** and **design** their **communal prayer and action** center to meet the needs of their community, and each other.

This is a singularly unique opportunity to **have your voice heard** and to see **your faith come to life**, have your needs met, and **your soul fed**.

Come, Join us, and help make this parish **YOUR** parish!

## TRADITIONAL CATHOLIC WORSHIP MEETS PROGRESSIVE VALUES AND SOCIAL ACTION

**Saint Hedwig's Old Catholic Church** is a new, progressive Catholic worship community here in DC's Palisades neighborhood.

Our tradition is rich with progressive Catholic values, **rooted in Jesus' teachings on Love, Peace, Justice, and Equality.**

Our tradition believes that **faith is dependent on our actions** toward the care of the oppressed, poor, and unwell.

Our faith is for **skeptics and believers alike**, as we have been a **sanctuary and refuge** to those disaffected by mainstream traditions and politically distorted teachings for nearly two centuries.

We are a tradition of faith and works, love and action, hope and spiritual transformation. Join us. No matter your personal or faith story, your questions or your hope, all are welcome. **We are North American Old Catholics!**

Catholic Mass is offered each Sunday at 9:00 AM at:  
5200 CATHEDRAL AVE NW (At Palisades Community Church) 20016
